

Refund Policy

Overview

Because our services are digital and customized, refunds are subject to the terms below.

Before Work Begins

A full refund may be available before work starts, excluding applicable processing fees.

After Work Begins

Refunds are generally limited to work not yet completed.

Monthly Plans

Monthly services are billed in advance and are generally non-refundable after the billing period begins.

Website Development

Refunds are generally unavailable after design concepts or development work has commenced.

Custom Projects

Refund requests are evaluated based on the percentage of work completed.

Non-Refundable Items

Consultations, branding, custom designs, advertising spend, domains, hosting, software licenses, plugins, and completed deliverables are generally non-refundable.

Duplicate Payments

Verified duplicate payments will be refunded to the original payment method.

Processing Time

Approved refunds are generally processed within 7–14 business days.
